A "yes" answer does not necessarily mean the applicant will not be granted a license. Failure to furnish complete documentation may result in denial or delay in the processing of your application. If you check "no" to any of the following questions regarding arrests or charges and there is an arrest record listed on your ABI or FBI report, your application could be denied for a material misstatement.

DUI or DWI charges are considered criminal charges. Misdemeanor citations and charges where you may not have been fingerprinted or booked, but were required to pay court costs or fines, are routinely reported to the ABI and FBI as a charge/arrest. These types of charges must also be disclosed on your application.

If you were told that a charge or arrest would be expunged from your record, and you would not need to report the charge as an arrest, you should verify with the court that the record was expunged and that you have "no arrest record" for the charge or arrest before completing your application for licensure. Failure to report charges or arrests that have not been expunged from your record could result in the denial of your application for a material misstatement.

If you answer yes to any of these questions, it will be necessary for you to provide the following for each charge: a copy of the charging instrument (indictment, criminal information or complaint), certificate of disposition from the court, including suspended or deferred sentences, and a written explanation of the events that surrounds the charge(s).
